

Road Map to Trailhead
Dobbin Creek Trail
Wallowa-Whitman National Forest - La Grande District

From Hwy 237 in downtown Cove, OR, turn south on French Street (opposite the High School) at the sign for Moss Springs Campground. Follow this paved road (as it becomes gravel Mill Creek Lane, then Road 6220 at the Forest Boundary) for 8.7 miles to the Moss Springs Trailhead. The trailhead is at the far east end of the loop road that encircles the campground.

This access road is a good gravel surface that is suitable for any passenger car or camping trailer. A Northwest Forest Pass and self-issued Wilderness Permit are required at the trailhead.
