

Road Map to Trailhead

Mount Misery Trail

Umatilla National Forest - Pomeroy District

From Hwy 12 in the town of Pomeroy, WA, turn south on 15th Street and follow the paved road south, which eventually becomes Peola Road and then Mountain Road. At about 15 miles, the pavement ends at the Forest boundary, where the route becomes gravel Forest Road 40. Follow Road 40 for about 16.5 miles to a prominent junction with Road 44.

NOTE: This road junction can also be reached from Asotin, WA, on the north over good gravel Road 43, and from Anatone, WA, on the east over gravel Road 4304. Both of these roads converge into Road 44, arriving at the junction from the east.

At this road junction, turn right (west) onto dirt Road 4030 and follow it for 4.5 miles to the trailhead sign on the left. The last 2.5 miles of this road are a bit rough, with a few exposed rocks, but passenger cars should be able to negotiate it with care. A Northwest Forest Pass is required at the trailhead.
