**Tucannon River Trail**  
 Umatilla National Forest - Pomeroy District

From Hwy 12, about 12 miles north of Dayton, WA, turn south on the Tucannon River Road. Follow this road (which becomes Road 47 at the Forest boundary) for about 32 miles to a road junction, just before a bridge over the Tucannon River.

At this road junction, turn left (east) onto Road 4712 and follow it for 4.5 miles to its end at the trailhead parking area.

Road 47 is paved for about 28 miles, from Hwy 12 to the USFS Tucannon Campground, then good gravel for about 4 miles to the road junction. Road 4712 is a mostly single lane dirt road, with exposed rocks in spots — but it can be traveled by any passenger car, with care, when dry.

A Northwest Forest Pass is required to park at the trailhead.
