

Road Map to Trailhead
West Eagle Creek Trail
Wallowa-Whitman National Forest - La Grande District

From the hamlet of Medical Springs on Hwy 203, turn southeast on the paved Big Creek Road, following signs for Boulder Park. At 1.6 miles, after the road becomes gravel, bear left (east) at a junction onto gravel Road 67 and follow it for 14.6 miles to a major road junction, just past the bridge over West Eagle Creek. If coming from the east on Road 77, this road junction is 0.7 miles west of the Tamarack Campground.

Turn north on Road 7755, following signs to Boulder Park, and drive for 0.7 miles to a gravel road on the left (east), where there's a sign for the West Eagle Creek Trailhead. If coming from the north on Road 7755, this turnoff is 0.4 miles south of the Two Color Campground.

Turn west on the West Eagle Road (Road 77) and drive for 4.5 miles to the West Eagle Recreation Area. Be aware that the last 3 miles of this road is rocky, rutted, and **suitable for high-clearance vehicles only**. The trailhead is on the far north end, past the equestrian parking area and campground.

A Northwest Forest Pass is required to park at this trailhead.
