Burns BLM District

On Steens Mountain Loop Road, drive about 5.2 miles west from Fish Lake Campground, or 8.8 miles east from Page Springs CG. On a broad curve, turn southwest onto a dirt road and drive about 0.3 miles to Rock Creek Reservoir.

If the road is wet and muddy, park above this first reservoir. If it's dry, one can drive another 0.2 miles to the road's end at a small pond and the "Wilderness Boundary" marker.
