Home Creek Hike Burns BLM District

From the small hamlet of Frenchglen, turn west on paved Hwy 205 (which soon turns into Hwy 202), and drive about 23 miles south. The hike starts at a green steel gate with a "No Trespassing" sign on the east side of the highway, 150 yards north of the Home Creek crossing. Park on either shoulder of the highway, well off of the roadway, taking care not to block the entrance to the gate.

NOTE: All visitors to Home Creek canyon must first obtain written permission from Roaring Springs Ranch. Please call (541) 495-2263, during normal business hours.
