

Road Map to Trailhead

Lambert Rocks Trail Vale BLM District

From the Rome store, drive about 6 miles east on paved Hwy 95. Turn north and drive about 3 miles on a paved road to Arock. From Arock, follow the gravel Bogus Ranch Road northwest for about 4.5 miles to double steel gates in a ranch corral.

For the next 11.5 miles, the Bogus Ranch Road is a slow, rocky track that requires patience and a high-clearance vehicle. After 19 miles, one comes to a narrow peninsula parking area between Bogus Creek and the Owyhee River canyon. Do not try to drive any further, downhill off this peninsula!
