

Road Map to Trailhead

West Pueblo Ridge Hike Burns BLM District

Drive about 3.1 miles south from Fields Station on the Fields-Denio Highway and look for the signed turnoff to Domingo Pass on the west. Turn west onto the Domingo Pass Road and drive about 7.4 miles to the pass, keeping on the primary, graded route at all road junctions.

At 4.6 miles, just past a yellow cattle guard, there's a fork in the road, with each fork looking like the primary route — but the right fork leads to the pass.

About 100 yards before the crest of Domingo Pass, park off the road on a sharp switchback to the south, beneath a jagged outcrop of shale.
