

Road Map to Trailhead
Maple Mountain Hike
 Colville National Forest - Republic District

From downtown Republic, WA, drive 2.4 miles west on Hwy 20, then turn right (north) on gravel Trout Creek Road. After 0.7 miles, turn left (northwest) on Sheridan Road. Drive 3.9 miles, past private forest lands and homes, to the signed trailhead on the left, just 50 yards past the cattle guard at the Forest boundary. Park off to the side of the road, taking care not to block passage in either direction.

The first two miles of Sheridan Road are good graded gravel, and the last 2 miles are much narrower and rockier — but any passenger car should be able to travel it, taking care in the rough spots.
