

Road Map to Trailhead
Lake Creek Coulee Hike
Spokane BLM District

From State Route 28 in Odessa, WA, turn north on SR 21 and follow it for 2.8 miles north to the good gravel Lakeview Ranch Loop Road on the left (west).

Follow Lakeview Ranch Loop Road, first west for a mile, then north for 1.4 miles, then west again for another mile, to a 90 degree turn north (3.4 miles in total from SR 21). The trailhead is below the road to the left (west) at this 90 degree turn.

If dry, one can pull off the gravel road onto a small dirt road running west and park at the BLM "Road Closed" sign. If wet or muddy, it's best to park off to the side of the gravel road near the corner.

This trailhead is accessible by any passenger car.
