Spokane BLM District

From Hwy 90, take Exit 245 and head south through the town of Sprague on State Route 23. Drive 12 miles south from Hwy 90 on Route 23 and, at a sharp left bend in the highway, turn right onto gravel Davis Road. Drive 6.8 miles to just past the grain elevator at the old townsite of Revere, then turn left (south) onto Jordan-Knott Road.

Drive south 2.2 miles, crossing the bridge over Rock Creek, and turn right into the BLM Rock Creek Management Area. Drive another 2.4 miles on this sometimes rocky and rough dirt road to the trailhead and camping area.

When it's dry, most passenger cars and travel trailers will be fine over this last 2.4 miles, taking care in the rough spots.
