### White Bluffs Trail

U.S. Fish & Wildlife Service  
Hanford Reach National Monument

On State Hwy 24, 17 driving miles southwest of Othello, WA, and 53 miles northwest of Richland, turn south on an unmarked gravel road just east of Milepost 63. Drive through a sliding steel gate and go 3.9 miles south on a good gravel road. At a 4-way junction, just beneath the transmission lines, turn right (west) onto a paved road.

Follow the paved road west for 1.2 miles down the hill onto the river flats, then turn right (west) onto a dirt road leading to a small grove of locust trees. The unmarked trailhead is just east of this grove.

NOTE: This is a day-use area only. The area is closed to the public between two hours after sunset and two hours before sunrise.
