### North Fork Crooked River Hike

Ochoco National Forest

From paved Road 42 at Big Summit Prairie, turn south on gravel Road 4240 and travel 3.6 miles. Then turn left (east) on Road 150 and follow it for 1.0 miles to a low saddle.

At this saddle, abandoned Road 155 branches off to the right (south). Park off the road at this junction (first making sure the soil is dry and firm) and start the hike on Road 155.

There is no official USFS signage or trailhead here.
