

Road Map to Trailhead

Cross Canyon Trail

Umatilla National Forest - Pomeroy District

On main gravel Road 62, about 17 miles west of Troy and 4.0 miles west of the Long Meadows Guard Station, look for Road 6217 branching off to the right (north). If coming from the west on Road 62, the turnoff is about a mile east of the (unsigned) Big Hole Overlook.

Turn north on Road 6217 and drive about 2.7 miles to the trailhead, at a vault toilet on the left (west) side of the road.

The trailhead is easily accessible by any passenger car.
