

Road Map to Trailhead

Eureka Wagon Trail

Hells Canyon National Recreation Area

From Hwy 82, 3.3 miles southeast of Enterprise, OR, or 3 miles north of Joseph, OR, turn north onto paved Crow Creek Road at a sign for Buckhorn Springs. Drive 5.1 miles on Crow Creek Road, keeping on the main paved road through several turns, to a "Y".

At the "Y", bear right onto Zumwalt Road and follow it for about 32 miles to Road 780 on the right, at the sign for the Buckhorn Overlook. The Zumwalt Road, which becomes Road 46 at the Forest Boundary, is only paved for the first 2.4 miles and the rest is a good gravel track, but has many sections of washboards.

On gravel Road 780, drive east 0.9 miles toward the Buckhorn Overlook, bearing left on a dirt road 0.3 miles before the Overlook. Follow this dirt road east for 1.1 miles to a broad dirt parking area, just before a green steel gate with a "Road Closed" sign.

The last mile of dirt road to the trailhead is rough and rocky in spots, requiring a high-clearance vehicle. Those in low-clearance passenger cars will need to park near the Buckhorn Overlook and walk the last mile to the trailhead.
