

Road Map to Trailhead

Carlson Creek Trail

Burns BLM District

On the East Steens Road, drive 10.9 miles north from Fields Station, or about 28.8 miles south from the Mann Lake Campground. Look for a wire gate on the west side of the road, just 0.7 miles north of a radio facility on the East Steens Road.

Turn west through this wire gate and drive about 0.6 miles southwest to a parking area next to some prominent cottonwood trees.
