

Road Map to Trailhead
Grand Coulee Overlook Hike
Washington State Parks

From State Route 17, about 17 miles north of Soap Lake and 4 miles south of Dry Falls Junction, turn east into Sun Lakes-Dry Falls State Park. Drive 1.2 miles, past the entrance to the State Park Campground, before turning left (east) onto the park road toward Deep Lake. Drive for 2.1 miles to the Caribou Trailhead kiosk and parking area on the left (north) side of the road. The trail starts across the Deep Lake Road, on the jeep track behind the white gate to the south.

A Washington State Discover Pass is required to park at this trailhead. Also note that the Deep Lake Road is closed in winter, opening after April 1 each year.
